

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

DETARIFFING THE INSTALLATION AND	)	ADMINISTRATIVE
MAINTENANCE OF INSIDE WIRING	)	CASE NO. 305

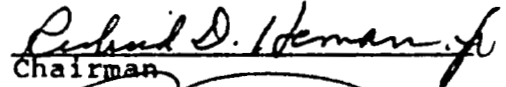

O R D E R

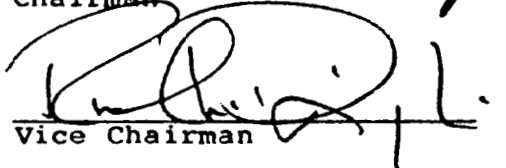

On November 26, 1986, South Central Bell Telephone Company ("SCB") filed a Motion for Commission approval of its implementation plan to detariff inside wiring pursuant to Federal Communication Commission ("FCC") orders. In FCC Docket No. 79-105, the FCC detariffed the installation and maintenance of inside wiring, effective January 1, 1987. On November 21, 1986, the FCC denied a SCB Motion to delay the detariffing until January 1, 1988. In SCB's Motion before this Commission, it seeks a similar deferral to implement the detariffing of inside wiring, and, in addition, approval of its transition plan and proposed tariffs. The Commission finds that the Motion should be denied because the issues raised are still pending and any ruling would be premature to the final decision in this case. The Commission expects to issue its final order in this case prior to the end of this year.

IT IS THEREFORE ORDERED that SCB's Motion be and it hereby is denied.

Done at Frankfort, Kentucky, this 10th day of December, 1986.

PUBLIC SERVICE COMMISSION
